RICHIE SUN
UI/UX DESIGNER

PROFILE

Hi, I'm Richie, a UI/UX designer who also writes code. I help start-ups and agencies create effective mobile/web products.

I've worked in payments, financial tech startups and freelanced a wide range of diverse projects for over a decade. I proudly enjoy bridging the gap between Product and Engineering teams.

Lover of bulldogs, music and life. Full-time father and husband. I cook and BBQ sometimes too.

EDUCATION
